Join us for the 15th Annual Great American Cleanup of PA

Removing trash from our watersheds is one of the best and easiest ways to improve the health of our watersheds.

The 15th annual **Keep Pennsylvania Beautiful Great American Cleanup of PA** can help get you started. From **March 1 through May 31**, thousands of Pennsylvania families and friends will partake in litter and illegal dump cleanups, beautification projects, such as tree and flower plantings, recycling collections and education programs. Keep Pennsylvania Beautiful partners with PennDOT, the Department of Environmental Protection, and Keep America Beautiful to provide free trash bags, gloves, and safety vests to registered participants, as supplies last. During **Let's Pick It Up PA – Everyday from April 13th through May 6th**, cleanups registered with the Great American Cleanup of PA are eligible to take their trash to participating landfills free of charge or for a reduced rate.

Registration begins in January at gacofpa.org. Questions can be answered by Michelle Dunn, Great American Cleanup of PA Program Coordinator, at 1-877-772-3673 ext. 113 or mdunn@keppabeautiful.org.

Registered events can win cash for a nonprofit or charity by entering the Great American Cleanup of PA Video Contest. Visit gacofpa.org/video-contest/ for more information.

Join thousands of Pennsylvanians in this initiative to help keep our neighborhoods clean and beautiful!
